April 20, 2023

Budget Committee Meeting

Location: Consumer Power Inc. 6990 W Hills Road, Philomath, OR 97370
6:30 pm

- I. ROLL CALL/ CALL TO ORDER- The Budget Committee Meeting was called to order at 18:30 by Administrative Assistant Ashley Scott. Board members present were Rick Brand, Ken Corbin and Doug Edmonds. Board members not present were Daphne Phillips and Joe Brier. Budget Committee members present were Sandi Hering, Greg Phelps, Jerry Wolcott, Anton Grube and Van Hunsaker. Staff members present included Fire Chief Chancy Ferguson, Deputy Chief Rich Saalsaa and Daytime Firefighter Layne Converse. Volunteer Captain Andy Loudon was also in attendance. Nomination was made by Jerry Wolcott to have Doug Edmonds as our Board Committee Chairperson. Sandi Hering seconded the nomination. The nomination passed 8-0.

- II. DISCUSSION- Chief Ferguson welcomed the committee and conveyed appreciation for their willingness to serve the community in this capacity. The theme of this year is looking towards the future growth of the organization. Chief Ferguson discussed the basic budget process for the department and how the budget is built. Firefighter Converse discussed the collaborative process that created the new Value and Vision statements for the district. The Mission statement continued to be the same as previous due to the historical significance. Chief Ferguson discussed the Budget Calendar- what has been completed and the remaining steps to the process. This year there was an expedited schedule to offer additional time at the end of the budget season. The budget calendar, committee members and noting the members who contributed to this year's budget proposal. The Budget Message was discussed with the committee. New Conflagration budgeting strategy was explained in depth.
 - Administrative Program- Scott discussed the items included in the Administrative Program. Transfers into the General Fund to Reserves are noted within this program. Discussions included increases in insurance costs, cost decrease in the communication line item due to removing internet at Station 202. Edmonds noted that the monies allocated for this program are permitted to be utilized throughout the General Fund Expenses. Hunsaker took a moment to commend staff for the transfers from the General Fund to Reserves for future expenditures. The Volunteer Association Expenses page had a line item listed

as "Entertainment" that will be changed to "Volunteer Recognition Events" to better reflect the actual use of those expenditures.

EMS Program- Chief Ferguson noted that increased call volume and increased vendor pricing necessitate the increase in the supply budget. There was also a medical supplies discussion with the Committee involving Corvallis Fire replenishing used items.

Suppression Program- Chief Ferguson discussed this program. The Staff and Budget Committee discussed the advantages of replacing 2" hose on fire scenes. Small Hand Tools and Low Angle Rescue Ropes were also discussed.

Safety Program- Daytime Firefighter Converse discussed the Firefighter and EMS Clothing portion. Explanation of the new budgeting process for Turnouts: two turnouts will be purchased and enough money for three sets will be added to the Equipment Reserve line item. Wildland PPE line item was created due to Fire Shelters needing to be replaced to support the matching grant that was submitted. Chief Ferguson discussed replacement of previously purchased, non-accredited, Bulletproof Helmets - we are unable to utilize those helmets. Board Member Edmonds welcomed the change in budget philosophy presented by staff. Utilizing real money instead of budgeting for hopeful money. If unanticipated revenue comes a decision is made by the Board with recommendations from staff.

Training Program- Chief Ferguson described the importance of training for our staff and volunteers. Substantial increase in Tuition Reimbursement to keep up with the rising cost of Oregon State University's tuition.

Prevention & Public Education- Deputy Chief Saalsaa discussed the changes in this program. Changes in funding due to increased FA/CPR Classes and utilization of paid non-staff instructors. Monthly classes at Knife River in Albany have helped to increase this line item as well. EMR Class has increased this line item as well. Public Service line items include Address Posts and Chimney Rods build good will with the community at no additional cost to them.

Emergency Communications & Mapping- Chief Ferguson explained the differences between past budgets and this year, including the major updates that are coming to radios in Benton County.

Buildings & Grounds- Chief Ferguson discussed the Buildings & Grounds budgeting. Projects for this program include asbestos abatement to figure out the best course of action for replacement of the training facility at Station 201. Questions and explanation of the decrease in residence supplies, holiday decorations, training room supplies and picnic table purchases.

Vehicle Equipment- Chief Ferguson discussed the increases in this program. Attempting to plan for the unknown. Inspections for vehicles and equipment were explained. Purchase of an upgraded floor jack to be utilized for changing apparatus tires and installing chains quickly was also discussed. Battery vs. Gas powered tool and apparatus discussions were included.

Personnel- Chief Ferguson discussed COLA increase and leadership changes included for the decrease in overall personnel costs. July 1 will be bringing on the Staff Captain role.

Bond Funds- Chief Ferguson reviewed the revenue to be anticipated for the repayment of the GO Bond. The district is unable to pay off this Bond earlier than contracted.

General Fund Resources and Expenditures- Chief Ferguson discussed that the revenue we expect is lower than utilized in the past. This year, the choice was made to include a Contingency Line item to help with Carry Over for next year. Goals for the future include increasing the amount of carryover.

Reserves- Discussion led by Chief Ferguson. Grube wanted to extend his continued focus as a community member to keep putting money away in reserves for future expenditures, instead of utilizing another Bond. Edmonds also highlighted the lack of district financial resources. Hunsaker liked the new approach of replacing when needed instead of replacing at certain timeframes.

Building & Land Reserves: Projects include 201 Hose Tower Roof replacement and 203 Generator project. Future goals are to expand the training facilities at Station 201.

Vehicle Reserves: Transferring money from the sale of apparatus and from the general fund to help save for future apparatus purchases and to offset current deficiency in this fund. Shrinking the fleet to a more attainable schedule for replacement.

Equipment Reserves: \$32,000 added to help with future SCBA replacements and turnout replacements.

Edmonds motioned to approve that the proposed budget for Fiscal Year 2023-2024 be moved to the Board. Seconded by Greg Phelps. Motion passed 8-0.

III. PUBLIC COMMENT- None.

IV. ADJOURNMENT- Meeting adjourned at 20:35. 2105 per CF

2023 - 2024 BUDGET MESSAGE

The 2023 - 2024 budget of Philomath Fire & Rescue is being presented as a balanced budget. Revenue projections are based on an assessed value (AV) of \$1,014,875,052 and our permanent tax rate of \$1.5080 per thousand of assessed value and our conservative collection percentage of 96%. We anticipate receiving \$16,000 in delinquent taxes and \$3,000 in interest. We also expect to receive \$12,500 for Public Education Income. An estimated \$100,000 is projected to be collected and expended for conflagration deployment, based our new philosophy on budgeting conflagration deployments. Misc. Revenue in the amount of \$10,000, to be received from a training contract fee from Hoskins-Kings Valley RFPD.

The City of Philomath's Urban Renewal District (URD) continues to impact the Fire District's Assessed Value (AV). The loss in AV to the Fire District for Fiscal Year 2023 - 2024 is expected to be \$49,249,603. The Urban Renewal Plan was renewed by the City in 2010 and was extended to 2030.

The budget does not include any capital outlay expenses resulting from the GO Bond. The only funds collected relating to the bond are the Debt Services Funds for the GO Bond repayment. Fiscal Year 2023 - 2024 marks the 7th year of the District's 10-year GO Bond loan repayment.

The budget process for Philomath Fire & Rescue includes soliciting ideas for consideration from staff and volunteers.

This Budget document is presented to you in these areas:

1. Budget Programs - All the expenditures are broken down into programs, with a statement of each program's goals and objectives. Listed below are the programs for Philomath Fire & Rescue:

- A. Administrative Program
- B. EMS Program
- C. Suppression Program
- D. Safety Program
- E. Training Program
- F. Prevention & Public Education Program
- G. Emergency Communications & Mapping Program
- H. Building & Grounds Program

I. Vehicle & Equipment Maintenance Program

J. Bond Debt Services

2. General Fund - This breakdown, starting on page 35, details the line items of anticipated revenues and proposed expenditures. The Fire Service General Fund expenditures include Personnel Services, Materials & Services, Capital Outlay, and Transfers, and are generally referred to as the operating budget of the District. The major source of revenue are tax funds, which are broken down into current year and previous years' taxes. The other revenues include conflagration reimbursement funds and funds from our Public Education program, including First Aid/CPR and Emergency Medical Responder classes, as well as funds from our Contract for Training with Hoskins-Kings Valley RFPD.

Areas of emphasis for the proposed 2023 - 2024 Fiscal Year include:

- a. Implementing a Cyber Security Program to protect the District's digital and electronic resources.
- b. Dedicating Equipment Reserve Funds for future SCBA replacements, in accordance with the District's Equipment Replacement plan.
- c. Building Reserve Fund, in particular, is almost entirely committed to significant repair and replacement projects that the District is not able to fund from other revenue sources. The project includes constructing a repair of the Station 201 Hose Tower roof.
- d. Vehicle Reserve Fund replenishing for future replacements of fleet.

Administrative Program

The Administrative Program provides for the daily and ongoing functions of the Fire District, its programs and activities. The Administrative Program also provides for the professional services necessary to run the District. These services include:

- Legal consultants
- Auditor
- Physician Advisor
- District Website & Intranet
- Crisis Support for First Responders
- Training and certification tracking programs

The Administrative Program includes the Volunteer Incentive Program, the Length of Service Awards Program, as well as the Volunteer Activity Program. These funds are established to attend to the business needs of the Volunteer Association, to host an event intended to show appreciation to the volunteers, as well as to provide for retirement funding for Volunteer participation in drill, training, events, and calls.

Additional expenses assigned to the Administrative Program include communications, utilities, publications, community outreach, networking and educational opportunities for personnel, and community involvement.

Transfers to Reserve Funds are made in accordance with the District's Master Planning and Strategic Planning. Funds transferred to reserves are intended to be used for purchases that exceed the purchasing ability of the District in a single fiscal year

PREVENTION & PUBLIC EDUCATION PROGRAM

Prevent life and property loss in the community through code enforcement, public education, fire investigation, plans review, and pre-fire assessments.

On-going:

- Provide public fire education to the community through events held on-site and throughout the District.
- Install and repair address posts throughout the Fire District.
- Maintain adequate variety of chimney brushes for public use.
- Provide a "home" prevention program providing the necessary safety features to prevent injuries and promote safety in the home through education and inspection.
- Provide information about fire safety and upcoming events with Philomath Fire & Rescue.
- Provide guidance and partnership with ODF on FireWise communities and defensible space education.
- Work with Wren, Marys River Estates, Wren Hill Estates, and Pioneer Village Disaster Preparedness groups.
- Provide American Heart Association Heartsaver First Aid/CPR classes for Philomath Schools, City of Philomath, other community businesses and groups, and citizens on a monthly basis.
- Provide support for events that includes Fire & Life Safety education (Open House, Health & Safety Fair, etc).
- Provide input to City and County for building plans, construction, occupancy processes and Access & Water Supply for construction permits.
- Provide smoke detector installation via the Oregon Smoke Installation Program.
- Provide car seat installation and education.
- Continue Business Inspection Program.
- Perform annual hydrant testing.
- Participate with Linn-Benton Fire Investigation Team in fire investigation and education.

RESERVE FUNDS

The District budget includes three reserve funds: **Building & Land Reserve, Vehicle Reserve, and Equipment Reserve**. These funds are intended to ensure that the District has adequate money set aside for expenditures which are beyond the capability of a single budget cycle. As we identify expenditures from the reserve funds, the staff seeks Board approval prior to using these funds. The District continues to have challenges when it comes to putting sufficient money into these funds at a level which provides the District the necessary reserves for large projects and purchases. While items below are budgeted to be spent from the Reserve Funds, this in no way obligates the District to spend these funds. This budgeting process appropriates those funds so that they can be spent.

The **Building & Land Reserve Fund** is used to buy, build, and maintain District facilities. This Year the District is planning to use these reserve funds in order to accomplish some large projects that could not otherwise be funded. In Fiscal Year 2023- 2024 the District is planning to contribute \$306,261 to this fund (\$130,000 from the sale of 224 medic and \$176,261 from the General Fund). Building Reserve funds are being budgeted for repair of the Station 201 Hose Tower roof and Station 203 Generator Project. In the future, the District's goals are to have a Training Facility to expand our ability to train our personnel and outside agencies.

The **Vehicle Reserve Fund** is used to plan for the purchase of additional and replacement apparatus for the fleet. The District will replenish this reserve fund in Fiscal Year 2023-2024 from the sale of the 232 engine in FY 2022-2023 (\$300,000). In Fiscal Year 2023 - 2024 the District is planning to contribute \$350,000 to this fund (\$300,000 from the sale of 232 engine and \$50,000 from the General Fund). The District has taken a new approach for strategically minimizing the fleet size to create attainable Apparatus Replacement Plan goals.

The **Equipment Reserve Fund** is used for purchase of major pieces of equipment. In Fiscal Year 2020 - 2021 the District used \$206,608 of these funds to purchase replacement Self-Contained Breathing Apparatus (SCBAs) for the District, replacing outdated and unsupported equipment. In Fiscal Year 2023 - 2024 the District has dedicated \$20,000 towards future replacements of the SCBAs (currently planned for Fiscal Year 2035 - 2036). With this annual commitment, the District will be well positioned to purchase future SCBAs from this Reserve Fund. The District will be putting \$12,000 into Equipment Reserves for Turnout replacements as they are needed.
