

Karl Corbin Memorial Scholarship

The Philomath Fire and Rescue Volunteer Association (PFRVA) awards educational college scholarships to students within the Philomath Fire District.

SCHOLARSHIPS

In 2024, PFRVA will award a single \$1000 scholarship for assistance with college expenses. The award is applicable to a specific academic year. Scholarship funds are issued in the form of a check made out to the school that the recipient will be attending. The funds are to be used by the student for any education expenses. Students receiving an academic scholarship for one year will be eligible to reapply for additional years.

Scholarships will be based on student performance in school, financial need, and overall merit in relation to other applicants.

BASIC QUALIFICATIONS

Students must:

- **Reside in the Philomath Fire District**
- Successfully complete high school, or receive a GED
- Have established a GPA of at least 2.75 (on a scale to 4.0) in senior high school.
- If special circumstances or financial needs dictate, the Scholarship Committee can waive the minimum GPA requirement.

College-bound students must have completed all college applications, and have been admitted into an accredited college.

DEADLINE FOR SUBMITTAL

The deadline for submission of the application packet is April 5, 2024. Applications must be postmarked by that date, or can be dropped off in person at the Philomath Fire Department. The scholarship will be awarded by the first week of June.
